Innova-Z

Business Development Intern

May 2025 – July 2025

Remote / India

- Conducted market research and competitive analysis to identify new business opportunities and potential client segments.
- Assisted in drafting outreach strategies and pitch decks to engage prospective partners and clients.
- Collaborated with the core team to develop go-to-market strategies for new product features, contributing to a measurable increase in lead generation.
- Coordinated cross-functional communication between product, design, and sales teams to align business goals.

Achievements

Smart India Hackathon (SIH) 2025

Qualified – Round 1

2025

Team: Shahayata

- Cleared Round 1 of SIH 2025 with project Medly, competing among thousands of national-level submissions.
- Contributed to problem framing, market validation, and stakeholder presentation of a real-world healthcare solution.

Pixel AI Hack – Society Hackathon

Finalist

2024

KIIT

- Reached the semi-finals by building a hostel/PG discovery and booking platform addressing student accommodation challenges.
- Proposed a revenue model incorporating listing fees, premium visibility for PG owners, and a commission-based booking structure. Outlined partnership strategy with college administrations and local PG owners to drive platform adoption and supply-side growth.
